COMMENTS ON REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The following comments are made in response to the Examiner's statement of reasons for allowance. Applicant respectfully disagrees with the Examiner's reasons for allowance to the extent that there is any implication that the patentability of the claims rests on the recitation of a single feature, because it is the combination of features that makes the claims patentable. Also, to the extent that there is any implication that the patentability of a claim rests on its dependency status from an allowed claim, Applicant respectfully submits that it is the additional unique combination of features which makes the dependent claims patentable, and not merely their dependency status from an allowable claim.

Respectfully submitted,

KNOBBE, MARTENS, OLSON & BEAR, LLP
